FOREWORD

Each day at Castlewood High School is a step toward the opening of a door, a door which holds a sensitive pattern of the happiness and triumph of our high school days. We have found through our life's travel that there are three major doors that must be opened – the doors of the past, present, and future. The doors of the past hold the knowledge and memories which we have thus far accumulated. Behind the doors of the present lie the experiences and achievements of today. Through the doors of the future we can see the hopes and dreams of tomorrow. Ralph Waldo Emerson once said, "Be an opener of doors..." Many of our doors will be tightly closed, but through work and determination, we can open them – the doors of the past, present, and the future.

The juniors and seniors of Castlewood High School, along with their guests, entered the majestic doors of the Martha Washington Inn on May 11, 1968, for a night of gala festivities. Although it was a rainy night, our spirits remained undampened. The music, furnished by the "Blue Chords" from Richlands, added much to our night of splendor. It was a night that will linger in our memories for many years.

THE BEAUTY PAGEANT . . .

Rita Salyer was chosen "Miss C.H.S." for 1968.

The 1968 Miss Castlewood High School Beauty Contest was held in the high school auditorium, May 18, at 7:30 P.M. Twenty-six beautiful girls vied for the title of Miss Castlewood. Mr. Tim Wood was master of ceremonies and Kathy Cain accompanied the girls on the piano. Entertainment was provided by the Downbeats, Mid-Knights, Susan Barker, and Mr. Tim Wood.

Mr. Wood presents to Lorraine Cochran the red roses which symbolizes her title of "Miss Congeniality".

A GOLDEN MOMENT

Five finalist were: third-runner-up, Rita Jo Ring; second-runner-up, Mary Jane King; fourth-runner-up, Vickie Thomas, hidden by Queen Rita Salyer; and first-runner-up, Sandy Gibson.

Kathy Cain added to the occasion with her lovely music.

Mr. Wood and Susan Barker sang folk songs while the judges made their final decisions.

BLUE DEVILS RANK NO. 1

Frank Gillenwater connects for a homer!

Coach Steve Banner's Devils have once again taken the District Seven title. This is the third time the Devils have captured this honor in the past four years. The Devils won eleven straight games after losing only to Honaker. The Blue Devils loaded six players on the All-District first team, and Wayne Justice received "Player of the Year". The first team honorees were Wayne Justice, Frank Gillenwater, Larry Davis, Bobby Scott, Sam Hurd, and Johnny Huff. Terry Cain and Ronnie McReynolds received honorable mention.

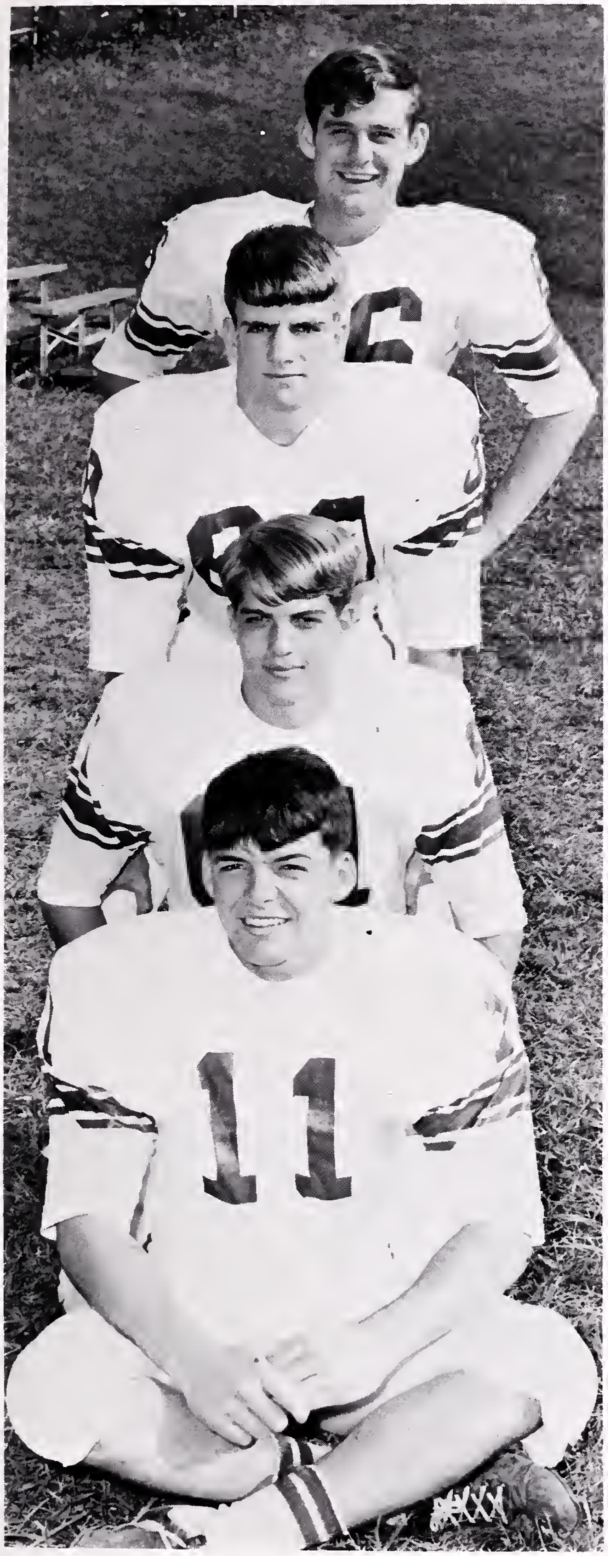
DRIVE IN COMPETITION

This year the Blue Devils started again as a build-up team under the coaching of Verner Auville. Although the season proved a little rough in some games, the Devils marched on exhibiting good sportsmanship and displaying an aggressive spirit in both victory and defeat. Frank Gillenwater, Chuck Ring, and Sam Hurd made the All-District Seven Squad; Mike Poole, Doug Davis, Herb Scott, Benny Powers, Eddie Evans, and Ronald Sluss received honorable mention.



The Blue Devils are losing four outstanding players with the oncoming graduation. They are Sam Hurd, Frank Gillenwater, Chuck Ring, and Benny Powers.

SOUTHWEST VIRGINIA 1000—POINT CLUB

"A view of power and reserve."

The basketball program at C.H.S. is a solid one headed by Coach Buddy Poole and capable assistants, Verner Auville and Steve Banner.

In the present Varsity program, there are only two seniors, eight juniors, and two sophomores. The present squad will return in 1969-70 with experience, depth, and aid from a fine Junior Varsity program. On the present Junior Varsity, there are six sophomores, eight freshmen, and two eight graders. On our eight grade team we have twelve of the finest that we have ever had at C.H.S.

During the month of February, our elementary tournament will be played and more fine players will be added to our already solid program.

This year's team has progressed greatly and will bear watching in the county and district tournaments. The team is a well-balanced one led by Terry Cain who is headed for All-County, District, and State honors. He is capably surrounded by Jimmy Hall, Johnny Huff, Mike Poole, Benny Powers, and Frank Gillenwater, the latter two being our seniors.

We, the entire athletic program, are deeply appreciative of all the spirit and cooperation we get from the student body. Let's continue to go forward in our athletic program together.

And the crowd yelled with them!

The cheerleaders' goal for this 1968-69 season was to boost the spirit of the fans. They have accomplished this under the guidance of Miss Arvena Salyer. Whether away or on their home court, they cheered our team on with a spirit not expressed in words. The CHS cheerleaders have made posters, practiced cheers, yelled, jumped, and even cried for the Blue Devils throughout the year. They faithfully attended each football and basketball game in order to bring victory to the minds of the fans.

Junior Varsity Cheerleaders: Becky Banner, Debbie Harding, Rita Jo Ring, Eleanor Baker, Rita Salyer, and Bobbie Jean Porter.

DEDICATION

Few men could ever live up to the standards that Mr. John E. Carter has lived up to in his job as principal at CHS for the past twenty-five years. He has opened more doors for the students than most of us will ever be allowed to see. In his never-ending desire to help, he has taken many students through the doors of knowledge and life. By carrying the heavy responsibilities of keeping a disciplined school, he has given each student at CHS a need to advance, a desire to know, a dream to succeed. We only hope that his needs, desires, and dreams have been fulfilled in his career at CHS; and because of this hope, we dedicate the Castletonian to an outstanding man, Mr. John E. Carter.

FOR SERVICE AND LOYALTY

ADMINISTRATION

Castlewood owes a great deal to Mr. Eugene Campbell, our assistant principal, who has the sole task of judging each student's excuses. He also patrols the cafeteria during lunch time, and then furthers his job by teaching geography.

M. E. Campbell

One of the busiest people at CHS is undoubtedly Miss Linda Sykes. From early morning until late afternoon, Miss Sykes sells pencils and paper, types letters, mimeographs tests, answers the numerous phone calls, and gives cheerful aid to those hundreds who ask for it.

It isn't such an easy job to teach high school students the ABC's! Mr. William Robinson finds this to be his major problem in teaching his students to type and take shorthand. Nevertheless, he ranks amont the best of teachers at CHS.

LANGUAGES CONVEY IDEAS

Best of luck to an
excellent student.
Mrs. Carter

Most of us owe a great deal of our English background to Mrs. J. E. Carter, eighth grade English teacher, as well as the French teacher. Mrs. Carter strives to make her students well-rounded pupils who do their best. In addition, she sponsors the Beta Club and works with the forensic participants in the spring of each year.

Mrs. Connie Clay has full responsibility in keeping her Latin and English vocabularies separated as she teaches Latin I and Latin II and English 10. An excellent teacher at CHS, who definitely believes that "Docendo discimus." "We learn by teaching."

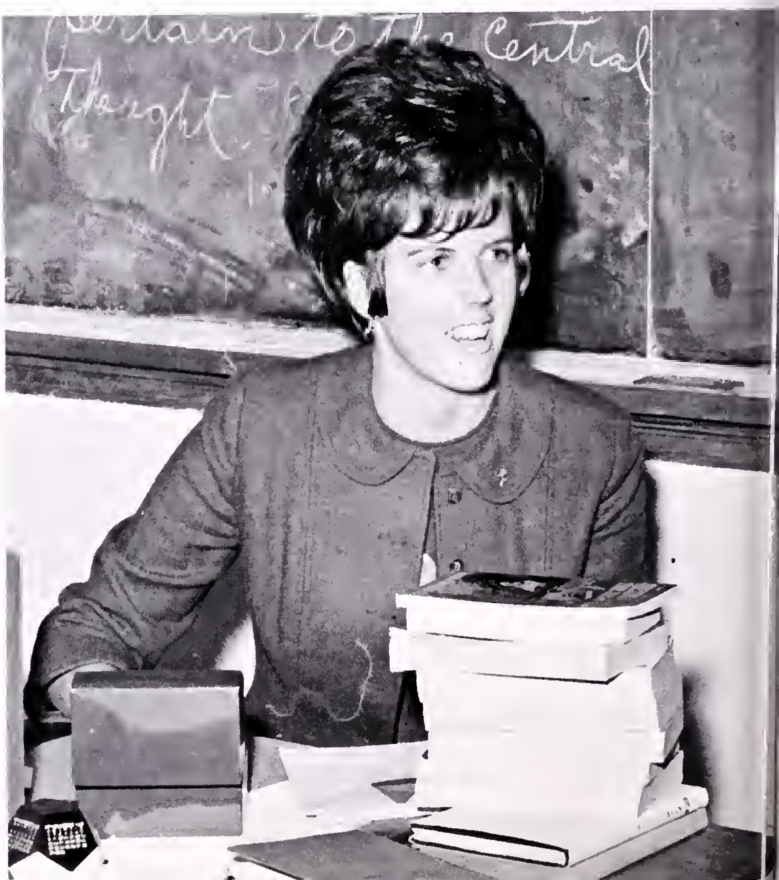
ENGLISH PROVIDES FOUNDATION

The Scarlet Letter
The Scarlet Letter

In her sweetest voice, Mrs. Stella Gibson makes it clear to her students that work rewards happiness. This is completely verified in her Junior English classes and the annual staff room where she labors patiently in successfully fulfilling her role as a teacher.

Mrs. Shirley Dishman, a former student at Castlewood High School, returned to her Alma Mater this year to spread a little of her knowledge in her English classes.



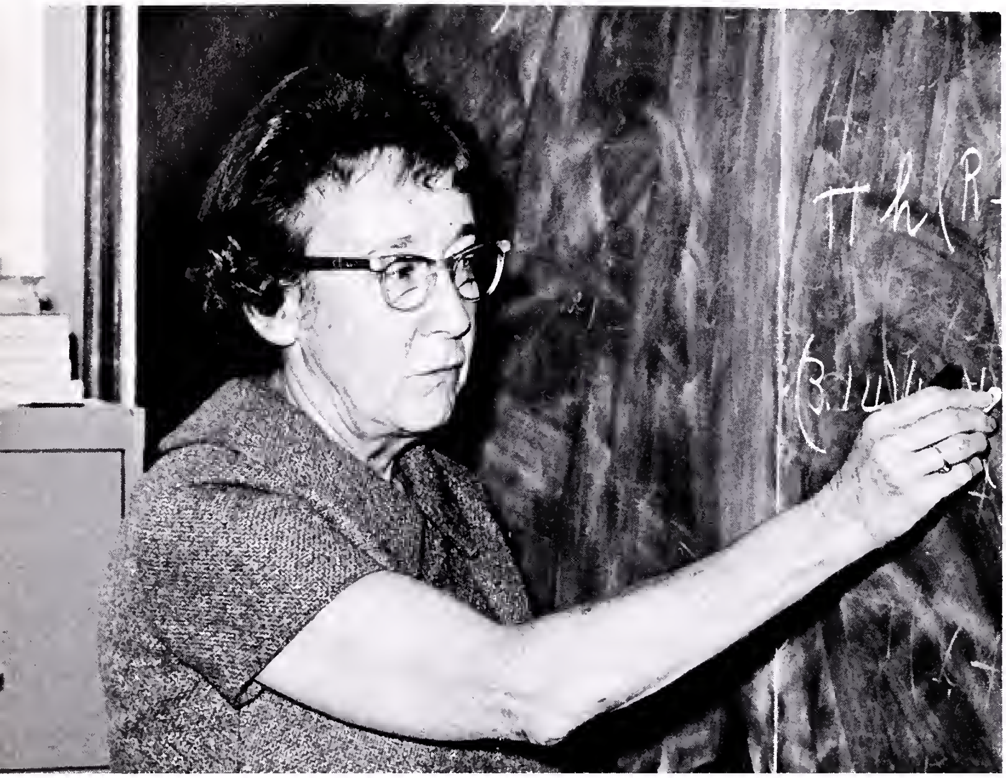
Pertains to the Central
Thought

FOR ALL STUDIES

Mrs. Nell Jordan, the senior English teacher, has an overweight duty in every class. However, she manages to go in and come out of her classes with a smile and a helping hand as she prepares the seniors for college and life.

Mrs. Mary Sutherland is one teacher that won't easily be forgotten at Castlewood High School. Over the many years she has put forth her best foot in teaching her sophomore English classes that good English indicates a good mind.

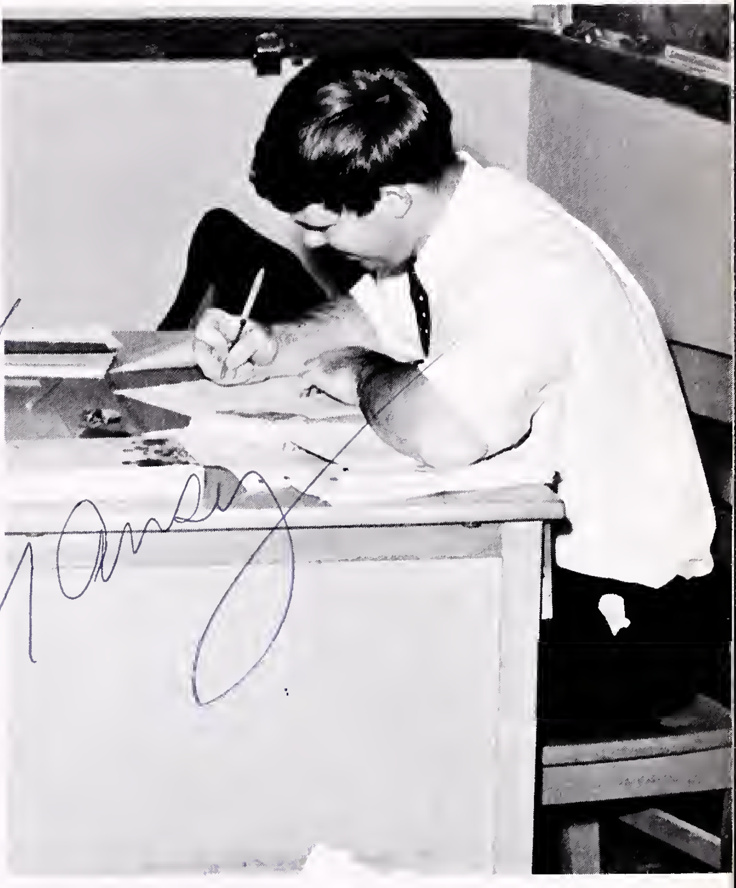
MATHEMATICS MAKES US



No student could ask for a better math teacher than Miss Gladys Roop. She diligently and completely explains to her algebra, geometry, and trigonometry classes the importance of a good education. In addition she sponsors the SCA and works closely with the members in making CHS a good place to be.

Mr. Earl Bolling, a math teacher at CHS, works with his students in adding, subtracting, multiplying, and dividing. He is truly dedicated to the fundamentals of math.

THINK! THINK! THINK!



Mr. Joe Spransy often runs into a little confusion in his math classes, but he always manages to cope with the toughest problem and progress as a fine young teacher.

Joe Spransy

Mr. Herman Hodges, in his few years at CHS, has become a favorite of the physics and algebra classes, simply because of his humorous personality and never-ending interest in his students. "Let us make this statement—" The sun rises and sets in Mr. Hodges.

Patricia,
Best of everything
in the years to come.
May you always find
success and happiness
in all that you attempt. It has
been a pleasure having you in
my math class this year.

GUIDANCE DEPARTMENT

AEROSPACE
LEADERSHIP
Careers for Officers–U.S. Air

One of the funniest—yet loveliest teachers at CHS is Miss Margaret Deck, our guidance counselor. When a student has a problem, it immediately becomes her problem, and in no time at all, the problem is laughed away.

Mr. John Sabo has earned the admiration and respect of CHS students by the interest he has shown in them. As guidance counselor, he impresses the importance of scholarships and aids each student in acquiring a knowledge which motivates him to use his time wisely and gain as much understanding as possible.

KNOWLEDGE OF YESTERDAY AND TODAY

Mr. Allen Wells, a newcomer at CHS this year, keeps his history classes laughing and learning. In his spare time, he coaches the eighth grade football team.

Best wishes in the future
Mr. Wells

In order to make it through life with an intelligent view of our government, every citizen should have the opportunity to listen to Mr. Ellis Hopkins in his government classes. He certainly gets his message across! Just ask a few of his students!

IAL CLAIMS 17

Mrs. Lynn Ramsey, a new teacher at CHS this year, is constantly confronted with her past memories of high school years as she works with her history students and the junior varsity cheerleaders, guiding them in all the right paths to knowledge and success.

THE SCIENCE OF HOMEMAKING

If anything smells good at Castlewood High School, the credit can almost always be given to the Home Economics Department, where Mrs. Frances Banner teaches her girls that the way to a man's heart is via his stomach. Just ask Mr. Banner! He can verify it!

A woman's job at home is never done. Nevertheless, Mrs. Ruth Wheeler teaches her girls in the home economies classes that a woman must know how to cook, sew, and manage household affairs before she can even begin her job.

VOCATION, MUSIC AND DRIVING

Fortunately for the agriculture boys, Mr. Forrest Irving eats his ice cream before he teaches his many boys about farming, masonry, foresting, plowing, ranching, building, and mechanics.

Coach Steve Banner, the "winningest" coach at CHS, is well-known for his successful baseball teams. He is also successful as a driver education teacher. He hasn't had a wreck yet!

Tricia,
Your work has
been outstanding.
I look forward
to many years
together

For those who sing out of tune, beware of Mr. Tim Wood, for he can detect a flat note anywhere at any time. His talented ear for music is well made use of at Castlewood in both the band and choir where he does the very best job in spreading his love for music to all.

COMMERCIAL COURSES BUILD FUTURE

In her business classes at CHS, Mrs. Linda Harris works to make her students efficient, prompt, and comprehensive. She also takes special interest in the FBLA Club and its projects and programs.

SHIFT KEY
Z X C V B N
SPACE BA

Need help? Ask Mrs. Mary B. Tardy! She is always fully prepared and anxious to aid anyone and everyone—whether he or she is in her general business, shorthand, and bookkeeping classes or not.

SCIENCE—HORIZONS OF LEARNING

A better biology teacher than Miss Lexie Johnson could not be found. She knows it all-from the tiniest bee's body to the most complicated processes of man. The proof can be easily found by just looking at her room!

Mr. Ronald Milton, a former graduate of CHS who couldn't leave his old school, is certainly one of the best-liked teachers at Castlewood. He approaches his science classes in a human way-with friendliness.

Best wishes to a "very" sweet girl. always R. Milton

Whether it be distilled water or distilled???, Mr. Charles Burns manages to have all the atoms, molecules, elements, and compounds for a good chemistry and science teacher.

READING PROVIDES INFORMATION

Mrs. Avera Sparks aids the many students in their reading abilities and skills in her work with the ESEA program.

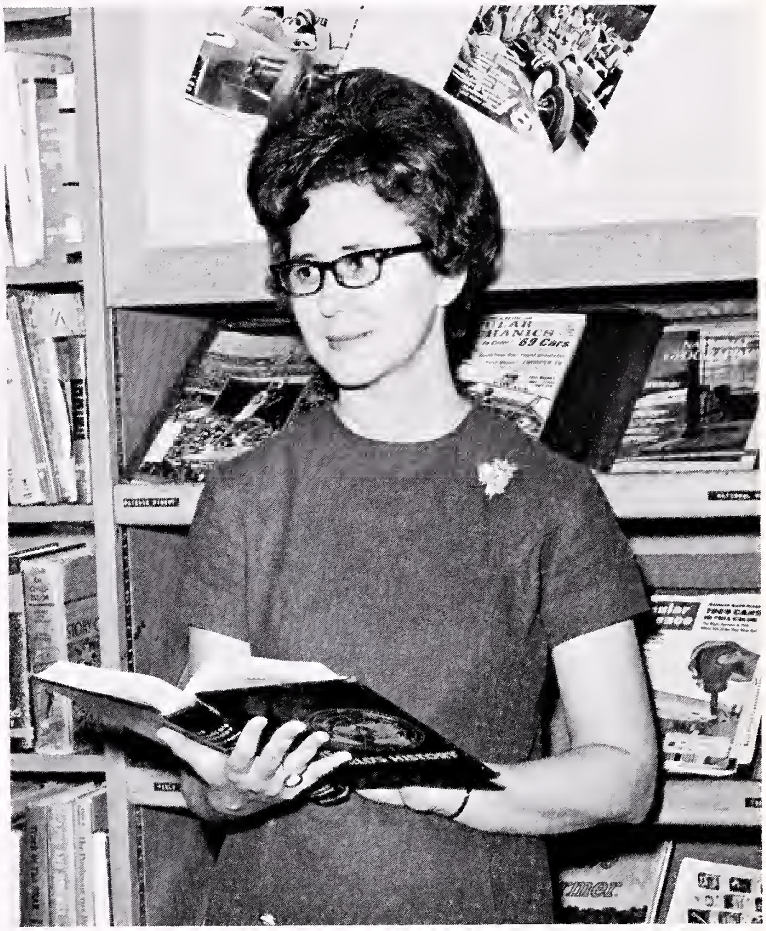
In addition to the many things involved in this program, Mrs. Sparks finds time to further her education by commuting to Clinch Valley College at Wise, Virginia.

Mrs. Nancy Warner, an alumna of CHS of '53, came back to her old stamping ground as an ESEA assistant in the reading department.

By having worked previously, Mrs. Warner is doing an excellent job with her eighth graders.

LIBRARY ASSISTS IN RESEARCH

A library has long been known as a room of intelligence, and a librarian is the guide to this room. Mrs. Jeroleen Elam is a perfect guide at CHS as she willingly assists the students in using the library properly and excessively.



Mrs. Shirley Poole serves as a clerical assistant in the library. Besides her clerical work, Mrs. Poole works at the desk. When checking in their books, the students have found Mrs. Poole very polite and friendly.

PHYSICAL EDUCATION

See a friendly smile in the crowded halls at school? Look twice–it's Coach Buddy Poole. Whether on the football field, the basketball court, or in a classroom, Coach Poole manifests his love for working with teen-agers by observing, teaching, and understanding in a friendly way.

Coach Verner Auville, the new football coach at CHS this year, believes in good physical health. He trains his football boys, as well as his physical education boys, for the enduring of all physical strains.

PROMOTES FITNESS

"Fifty jumping jacks, twenty-five push-ups, and ten laps around the gym! Please!" Miss Arvena Salyer really has it rough with the eighth, ninth, and tenth grade girls in her physical education classes. And what about those six big-mouth cheerleaders she takes to every away ballgame? All in the life of a good teacher!

Best Wishes,
Arvena
Salyer

GET WitH it!

To assist Miss Salyer, Mrs. Wilma Porter works to keep the physical education girls in top condition.

THE SCA PUBLISHES

The members of the Executive Council are Eleanor Baker, John Minahan, Wayne Powers, Doug Davis, Brenda Chafin, Carolyn Beauchamp, and Miss Roop.

The Student Cooperative Association attempts to take advantage of conventions, workshops, and district meetings for training in leadership, citizenship, and cooperation. The SCA president and the advisor attended a week's workshop at Radford College in August, 1968. The SCA sent two rising seniors, a girl and a boy, to Girl's State at William and Mary College in June, 1968. Eleven council members and the advisor attended the Clinch Valley District Meeting at Tazewell in October, 1968. Two seniors and the SCA advisor were delegates to a conference in Abingdon in preparation for the 1970 White House Conference on "Children and Youth."

For the first time in several years, the SCA Council, assisted by

HANDBOOK

the school secretary and many faculty members compiled and distributed handbooks to all students. The council is encouraging students to have attractive bulletin boards in each home room. Efforts are being made to have rest rooms repaired and to secure new chairs for the cafeteria.

The SCA hopes to cooperate with the PTA in sending out news letters to parents informing them of activities in the school. One of the most important duties of the SCA is to sponsor assembly programs each month for the entire student body and faculty.

The president of the SCA, Carolyn Beauchamp, and the sponsor, Miss Gladys Roop, diligently work to make the SCA a helpful organization for the entire school.

The memorial plaque, in honor of Douglas Dishman, was presented to CHS by the SCA.

FUTURE FARMERS OF AMERICA

FUTURE FARMERS OF AMERICA
CASTLEWOOD

The officers of the club are Carroll Blevins, Larry Skeens, David Jessee, Lynn Johnson, Bernard Skeens, and Ernest Hall.

The Future Farmers of America Club trains its boys in such vocational skills as farming, welding, construction work, and mechanics. The members of this club well represent many contests at the Russell County Fair.

FUTURE HOMEMAKERS OF AMERICA

The officers of the club are Pat Johnson, Chris Ring, Rebecca Banner, Linda Garrett, Barbara Jessee, Phyllis Helton, Ina Fields, Judy Davis, and Brenda Taylor.

The Castlewood Chapter of the FHA recognizes the importance of education for the future and helps members learn about career opportunities. The main objective of the club is to help prepare young girls for a future as wives and mothers.

THE DRAMA CLUB

To add to the cultural aspects of the school, the Drama Club studies acting, presents plays to the student body, and works to increase the knowledge of drama to its members.

David Phillips learns what make-up is all about.

THE LIBRARY CLUB

The members of the Library Club strive to make the library an ideal material center for the school. They serve as aids to the librarian by giving up their study halls to take care of the busy work in the library.

The officers of the club are Vicky Wallace, Bobbie Jean Baker, Karen Sparks, and Darlene Hicks.

THE CREATIVE WRITING CLUB

The 4-H CLUB

Love Betty

THE SCIENCE CLUB

The Science Club is a non-profit organization which maintains and promotes the interest of scientific learning. Membership in the club affords students the opportunity to work in the areas of science that are of interest to them.

The officers of the club are Wayne Powers, James Keith, John Minahan, Nancy Price, and Carol Davis.

THE CHS HANDICRAFT CLUB

ERECTED 1930
COUNTY SCHOOL BOARD

The Castlewood High School Handicraft Club has a new name this year and a new outlook. Since its beginning in 1965, the club has been an active, cooperative, and charitable club. This year, however, the thought came to mind that some members may develop enough skill in one or more native crafts to deem it desirable to apply for membership in the Southern Highlands Handicraft Guild, an organization with extremely high standards for admission to membership. Therefore, it planned more serious and more definite efforts in crafts for this year than in previous years. While reaching toward this "handicraft star," they enjoyed such ordinary activities as preparing a homecoming float, having informal get-togethers, visiting Craft Houses and Museums, sending gifts to servicemen in Vietnam, and sharing with needy children and old folks here at home.

The officers of the club are Shirley Osborne, Susie Addison, Mary Cromer, Janie Gibson, and Sherry Jordan.

THE MUSIC CLUB

The Music Club is an organization which is open to students interested in music. The club promotes the music program by ushering at band and choir concerts and other musical programs. It also sponsored a fundraising project for choir robes. Finally, the Music Club seeks to build appreciation and understanding of the music program in our school.

The officers are Sandy Gibson, Shirley Hensdill, and Jackie Broadwater.

THE FBLA CLUB

FUTURE BUSINESS LEADERS OF AMERICA

FUTURE BUSINESS LEADERS OF AMERICA

The officers and sponsor of the club are Eva Tiller, Jane Kiser, Mrs. Harris, Vivian Sutherland, Janet Holbrook, Linda Sifford, Darlene Verbal, Juanita Jessee, Teresa Pratt, and Kay Powers.

The Future Business Leaders of America is the national youth organization for high school and college students enrolled in business subjects. FBLA is democratically organized and is devoted to providing young adults with educational, vocational, and leadership experiences. It encourages improvement in scholarship, promotes school loyalty, and strengthens the confidence of young adults in themselves and their work.

THE COIN AND STAMP CLUB

The officers of the club are Paul Gibson, Jim Pratt, Joe Halloway, and Gary Dean.

Mr. Robinson's Coin and Stamp Club is composed of members interested in numismatics and philately. The members buy, collect, and trade stamps and coins to complete their collections.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America Club is composed of students whose future objective is to become teachers. In the past years, the club has visited various colleges, and in November of 1968, they visited the University of Tennessee in Knoxville, Tennessee. Each Christmas the members collect toys to distribute among underprivileged children of the neighborhood. During their twice-a-month meetings, they see various films on education and discuss the business at hand.

The officers of the club are Nancy Johnson, Rebecca Biggs, Debra Bolling, Susan Gibson, Susan Barker, Pat Hall, Judy Sutherland, and Betty Jo Saddler.

THE HI-Y-TRI-HI-Y CLUB

The Hi-Y-Tri-Hi-Y Club is a newly organized club at C. H. S. It is affiliated with the Y. M. C. A. and the Y. W. C. A. The requirements for membership in this club are high standards of Christian character and church membership. The major project is to sponsor delegates to attend the Model General Assembly in Richmond.

The officers of the club are Jerry Chafin, Judy Litton, Chris Hulsey, Beth Fields, Jenny Hulsey, and Candy Smith.

THE PEP CLUB

THE PEP CLUB

Best Wishes,
Arnena Salyer

The purpose of the Pep Club is to promote pep and school spirit by calling students' attention to football, basketball, and baseball games.

The officers of the club are Dicky Alderson, Mike Chafin, Barbara Dickenson, Bobby Culbertson, and Ron Lambert.

THE ATHLETICS CLUB

The officers of the club are Laymon Salyer, Doug Davis, Benny Powers, and Chuck Ring.

The Atheletics Club is composed of a majority of athletes and athletic lettermen. It promotes an interest in the athletic program as a whole, and presents an award to the outstanding fan of the year.

CHOIR AND BAND PROVIDE

On December 19, 1968, the choir presented a beautiful program of both religious and secular Christmas music, which was thoroughly enjoyed by the students and teachers.

THE CASTLEWOOD HIGH SCHOOL BAND

Mike
It's me
B

Mr. Tim Wood has done an excellent job in directing his choir and band.

CULTURAL ENRICHMENT

The Castlewood High School Band and Choir, under the direction of Mr. Tim Wood, greatly enriches the cultural aspects of our school. Many worthwhile hours of practice produce a sound which wins acclaim for performances, such as the Christmas program. The band enlightens the school spirit by playing at football games. The hard work and determination of the band and choir students, along with Mr. Wood, is deeply appreciated by the student body.

Sandy Gibson, a senior, serves as drum majorette for the band.

The choir gets a break while Mr. Wood opens his Christmas present.

SENTINEL STAFF PUBLISHES

NEWSPAPER STAFF

The girls are responsible for keeping the copy relevant to the pictures.

FIRST PRINTED EDITION

Sue and Karen give the final proofread.

The policy of the **Sentinel** is to publish the school news. The members of the **Sentinel** staff strive to cover the entire school program—classes, clubs, sports, and special events. It is their aim to keep the news current and to publish as many coming events as possible.

Realizing that the circulation of the paper is the only source of income, the newspaper staff tries to reach the entire student body with the very best coverage as well as the very best copy it can produce.

Because the newspaper is the media between school and home, the members of the staff try to keep the **Sentinel** as free of grammatical errors as possible.

This year the members of the newspaper staff, along with the cooperation of the student body, have launched a printed paper for the first time. This paper provides more space for news and better copy than the mimeographed paper has in previous years.

Mrs. Jordan explains the importance of a complete layout.

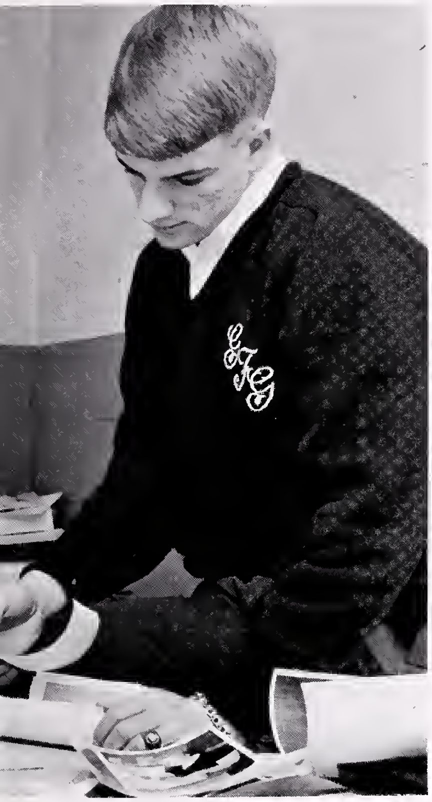
THE CASTLETONIAN DEMANDS

Patricia and Frank design sports layout.

Carol and Judy identify pictures.

"Be an Opener of Doors . . . " expresses the many opportunities and challenges with which we high school students are confronted. We nine annual staffers have tried to show these challenges and opportunities throughout the pages of this book. Along with Mrs. Stella Gibson, we have forfeited our study halls, afternoons, and holidays in order to meet the deadlines of the 1969 Castletonian, and make it a good book for the students of CHS.

MANY HOURS OF HARD WORK



Pam and Jenny check final ad receipts.

Judy and Brenda discover new ideas.

Sandy and Mrs. Gibson select the best pictures.

Be an Opener of Doors to the Future . . .

"Be an opener of doors . . ."
Cast a future glimpse.
Break through the tomorrow that looks so dense.
Extend a hope, a dream, an aim,
That needs work, determination, and skills that take pains.
Make us ever mindful of what is to be.
Open the doors of tomorrow, and we shall try to see.

HOME OF "Carillonic Bells"

Our message to you .....

.... can best be summerized by an excerpt from an open letter to American students by Dwight D. Eisenhower in 1948, when he was President of Columbia University.

"To be a good American, is the most important job that will confront you. But essentially, it is nothing more than being a good member of your community, helping those who need help, striving for a sympathetic understanding of those who oppose you, doing each day's job a little better than the previous day, placing the common good before personal profit. The American Republic was born to assure you the dignity and rights of the human individual. If the dignity and rights of your fellow man guide your daily conduct of life, you will be a good American."

Congratulations and best wishes always.

Patricia,
Maybe I shouldn't doing this but I'm starting all over. You are my favorite "cus" and I think you + Mike are a couple of nuts. I've enjoyed having Math and English with you and all those evenings we stayed for cheer leading practice. I'm glad the teachers picked you because you really deserved it. You're a real sweet girl and I think the world of you and your family (my favorite relatives) ~~Be~~ Be seeing you this summer and be good ~~at~~ and stay out of menace.
